In 1999 a group of cyclists formed a team (**Team C.U.R.E.**) to participate in organized bike rides that benefit people suffering from serious illnesses. Team C.U.R.E. (**Cyclists' United Ride Effort**) is an established team which participates in a different organized bicycle rides throughout the year. To participate in the bike rides the team collects donations for the organizations hosting the bike rides. Team C.U.R.E. continues to grow and give to the community by participating in and sponsoring ride events around Texas as well as our Bike Rodeos for the kids. We have grown from a small team in 1999 to the Cycling Organization of today made up of not only riders, but also volunteers who believe in helping others whenever they can.

There is no cure yet for these causes we ride for and promote, but with support from our team and our sponsors, research can continue. The goal of Team C.U.R.E. is to raise money for and awareness to these causes. At this time we have ~85 members in the Houston area, committed to these causes. We're driven by the fact that what we're doing will help many who deserve more from life. We would be honored to have you as a member of Team C.U.R.E.

Team C.U.R.E. is a **PROACTIVE** community non-profit organization underwritten by Primary Sponsors **Wilson & Company, Engineers & Architects, The Art Dept., Thorntree Slate and David's Cycles.**

Join Team C.U.R.E. in supporting these causes and help **make a difference!** Your contributions will improve the quality of life for those who suffer from serious illnesses as well as other humanitarian concerns. Team members are kept up to date on community bicycle events and receive discounts on bikes and on other bike shop goods as well as other benefits from our underwriters.

Fax or Cut along line and mail form below to: **Team C.U.R.E. 10014 Cedaredge Dr. Houston, Tx 77064**
